(Adapted from HOW THE CONFERENCE OPERATES)

### **How the Central Office Meeting Operates**

#### **Modified Robert's Rules of Order**

Generally speaking, we adhere to Robert's Rules of Order, Revised, and with any luck, the whole Meeting proceeds on as informal a basis as possible, consistent with the rights of all concerned.

#### **A Meeting Quorum**

All registered Reps (those signed-in in attendance) - is required to conduct business.

#### **General Rules of Debate**

People who wish to speak will raise their hands and are called on in order.

Each person may speak for two minutes.

No speaker may speak for a second time on a topic until all who wish to speak have spoken for the first time.

Voting is by a show of hands for or against a motion.

#### **Substantial Unanimity**

All matters of policy (Advisory Actions) require substantial unanimity - or a two-thirds vote. Additionally, any actions that affect an Advisory Action, or a motion that might result in such an action, also require a two-thirds majority.

Because the number of members present in the room during the Central Office meeting varies from time to time, the phrase "two-thirds vote" is taken to mean two-thirds of the members in attendance.

After the establishment or rejection of any matter of policy by a two-thirds vote, the minority will always be given the opportunity to speak to its opposition.

#### **Calling the Question**

Motion to 'Call the Question' must be made in turn and be the only comment of the speaker.

Requires a second.

Is not debatable.

MARCH 10, 2021

Requires a two-thirds vote.

If passed, debate on the issue ceases, and the members immediately vote. If not passed, the debate continues.

### **To Table a Discussion**

**(Postpone to a later time during the same session)**

Requires a motion and a second. Requires only a simple majority vote (51%).

### **Minority Opinion**

After any non-unanimous vote, the Chairman will ask if the minority wishes to speak. Any persons who voted on the minority side may speak to the issue voted on. This ensures fairness and proper consideration of all opinions. If a minority opinion provides information that causes a person voting on the prevailing side to change their mind, "Reconsideration" may occur.

### **Request to Reconsider**

Must be made in the form of a motion by someone who had voted with the winning side and now, after further consideration, wishes to change his/her vote.

It requires only a simple majority to cause reconsideration. If passed, the decision is put aside and debate begins again on the motion. The decision on the reconsidered motion is final. No action may be reconsidered twice.

### **Departure from the Agenda**

It requires a two-thirds vote of the members in attendance to depart in a significant way from the agenda during the meeting.

### **Motions from the voting Central Office Representatives**

Motions may be made by any voting member of the Central Office Meeting. The motion must be seconded by a voting member other than the one making the motion. After a second is made the motion is open for discussion by the "**General Rules of Debate**"

### **Third Legacy Procedure**

**(Elections)**

Third Legacy Procedure is a special type of electoral procedure that appears to be unique to AA. In practice, it has proved highly successful in removing the political influence. Third Legacy Procedure is as follows for each position:

1. All eligible candidates are polled. The names of all willing to stand are posted on a board. All voting members cast written ballots, one choice to a ballot. The tally for each candidate is posted on the board.
2. The first candidate to receive two-thirds of the total vote is elected.

MARCH 10, 2021

3. Withdrawals start after the second ballot. If any candidate has less than one-fifth of the total vote, his or her name is automatically withdrawn - except that the top two candidates must remain. (In the case of a tie for second place, the top candidate and all tied runners-up remain as candidates.)

4. After the third ballot, candidates with less than one-third of the total vote will be automatically withdrawn - except that the top two candidates must remain. (In the case of a tie for second place, the top candidate and all tied runners-up remain as candidates.)

5. After the fourth ballot, if no candidate has two-thirds of the total vote, the candidate with the smallest total is automatically withdrawn - except that the top two candidates must remain. In the case of a tie for second place, the top candidate and all tied second place candidates remain. At this point, the chairman asks for a motion, second, and a simple majority of hands on conducting a fifth ballot. If this motion is defeated, balloting is over and the choice is made by lot - "going to the hat" - immediately. If the motion carries, a fifth ballot is conducted.

6. If after the fifth ballot no election occurs, the chairperson announces that the choice will be made by lot (from the hat). At this point, the two top candidates remain. In case there are ties for first place, all tied first place candidates remain. In case there are no ties for first place, the top candidate and all tied second place candidates remain.

7. Lots are then drawn, and the first one "out of the hat" is the elected person.
